

George R. Kempf Lecture Series

Presents

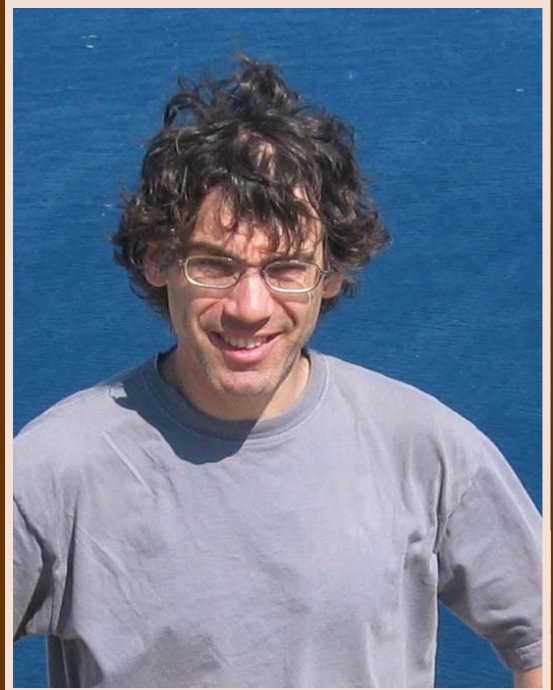

Lie Theory for Differential
Graded Lie Algebras

December 5, 2005

4:30—5:30 PM

Krieger 302

Afternoon Tea in Krieger 211 at 3:30pm

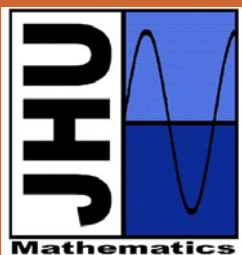

Ezra Getzler

Northwestern University

Additional Talks

Tuesday, December 6, 2005
4:30-5:30 PM Krieger Hall 302
Open/Closed Modular Operads

Wednesday, December 7, 2005
4:30-5:30 PM Krieger Hall 302
Open/Closed Deligne-Mumford
Moduli Spaces and Topological Field
Theory.

Support for the George R. Kempf Lecture Series is provided by the
Kempf Memorial Endowment and the Department of Mathematics
